Subject: Prequalification –Compound Security Upgrade U.S. Embassy Madrid, Spain  
Solicitation #: SAQMMA-16-R0331

Dear Ms. Taylor:

Thank you for this opportunity. The enclosed proposal package from Montage Inc. concerns the above referenced solicitation. We understand the scope of work of this project includes installing new Forced Entry Ballistic Resistance (FE/BR) windows and doors throughout the chancery and CMR. There will also be a complete renovation of the consular CAP, FE/BR upgrades to two additional CAPs, and mantraps will be added to all three CAPs. A new Compound Emergency Sanctuary (CES) and a new Safe Area will be constructed. There will be perimeter security improvements throughout the 2.54 acre compound. We have reviewed the requirements in detail and believe our team is very well suited to perform this work.

Montage certifies that it possesses a Top Secret facility security clearance and Secret level safeguarding. The following corporate data is provided as part of this prequalification:

\*Cage Code: 04QC7  
\*DUNS: 55-605-4641

Please do not hesitate to contact us if we may be of any assistance.

Sincerely,

  
Toshiko Fujimoto-Cu  
Program Manager
